Acknowledgments We extend a big thank you to all the people at Apple for getting Lion and Lion Server out the door, and of course to Steve Jobs, for inspiring us all.

Thanks to the Mac sysadmin community for always striving to better serve your users.

Thanks to Lisa McClain for gently making sure these materials made it into your hands, and to Jessica Grogan and Kim Elmore for working their editorial and production magic.

Thank you, also, to the following people. Without your help, this book would be much less than what it is: David Colville, Gordon Davisson, John DeTroye, Andre LaBranche, Charles Edge, Matthias Fricke, Allen Hancock, Aaron Hix, Eric Hemmeter, Jason Johnson, Adam Karneboge, Andrina Kelly, Ian Kelly, Bob Kite, Judy Lawrence, Chad Lawson, Woody Lidstone, David Long, Tip Lovingood, Duane Maas, Andrew MacKenzie, Jussi-Pekka Mantere, Steve Markwith, Kim Mitchell, Nader Nafissi, Tim Perfitt, Mike Reed, Schoun Regan, Jeremy Robb, John Signa, Chris Silvertooth, David Starr, Kevin White, Simon Wheatley, and Josh Wisenbaker.

Arek Dreyer Thanks to my lovely wife, Heather Jagman, for her love and support.

Ben Greisler My love and appreciation to my wife, Ronit, and my children, Galee and Noam, for supporting me through this project.
